ABOUT THIS INSPECTION

The purpose of this inspection is to assure government, parents and the public of the quality of childcare and, if applicable, of nursery education. The inspection was carried out under Part XA Children Act 1989 as introduced by the Care Standards Act 2000 and, where nursery education is provided, under Schedule 26 of the School Standards and Framework Act 1998.

This report details the main strengths and any areas for improvement identified during the inspection. The judgements included in the report are made in relation to the outcomes for children set out in the Children Act 2004; the National Standards for under 8s day care and childminding; and, where nursery education is provided, the *Curriculum guidance for the foundation stage*.

The report includes information on any complaints about the childcare provision which Ofsted has received since the last inspection or registration or 1 April 2004 whichever is the later.

THE QUALITY AND STANDARDS OF THE CARE

On the basis of the evidence collected on this inspection:

The quality and standards of the care are satisfactory. The registered person meets the National Standards for under 8s day care and childminding.

At the time of the inspection there were no children on roll. Ofsted judges that the provider remains suitable to provide care.

WHAT SORT OF SETTING IS IT?

Odd Down Play Scheme is an open access play scheme for children aged from five to 12 years. It is based in Odd Down Youth Centre, Odd Down, Bath and uses the hall, associated facilities and an enclosed outdoor play area. A maximum of 20 children may attend the playscheme at any one time. The playscheme is open each weekday from 10.00 to 12.00 and 13.00 to 15.00 during several weeks of the summer holiday and, dependant on funding, may also run for a week at Easter. Children attend a variety of sessions and may attend both sessions on the same day.

There are currently no children on roll. Children come from the catchment area of Odd Down. The playscheme supports children with learning difficulties and/or disabilities and children who speak English as an additional language. The playscheme employs six members of staff. Of these, five hold appropriate qualifications.

No children on roll

When a provider does not have children on roll at the time of the inspection, inspection judgements are based on evidence gathered from discussions with the provider and an inspection of the premises, equipment and relevant documentation.

As there are no children on roll, the quality of the provision cannot be judged better than satisfactory because there is no reliable evidence on which to assess its impact on children.
