## ABOUT THIS INSPECTION

The purpose of this inspection is to assure government, parents and the public of the quality of childcare and, if applicable, of nursery education. The inspection was carried out under Part XA Children Act 1989 as introduced by the Care Standards Act 2000 and, where nursery education is provided, under Schedule 26 of the School Standards and Framework Act 1998.

This report details the main strengths and any areas for improvement identified during the inspection. The judgements included in the report are made in relation to the outcomes for children set out in the Children Act 2004; the National Standards for under 8s day care and childminding; and, where nursery education is provided, the *Curriculum guidance for the foundation stage*.

The report includes information on any complaints about the childcare provision which Ofsted has received since the last inspection or registration or 1 April 2004 whichever is the later.

### The key inspection judgements and what they mean

*Outstanding: this aspect of the provision is of exceptionally high quality*

*Good: this aspect of the provision is strong*

*Satisfactory: this aspect of the provision is sound*

*Inadequate: this aspect of the provision is not good enough*

For more information about early years inspections, please see the booklet *Are you ready for your inspection?* which is available from Ofsted's website: [www.ofsted.gov.uk](http://www.ofsted.gov.uk).

## THE QUALITY AND STANDARDS OF THE CARE

On the basis of the evidence collected on this inspection:

The quality and standards of the care are satisfactory. The registered person meets the National Standards for under 8s day care and childminding.

At the time of the inspection there were no children on roll. Ofsted judges that the provider remains suitable to provide care.

### WHAT SORT OF SETTING IS IT?

The childminder has been registered since 1996. She lives with her husband and two teenage children in the Wainstalls area of Halifax. There is a designated playroom with its own kitchen, cloakroom and toilet for the minded children. The family have a pet dog and also keep hens and ducks.

When a provider does not have children on roll at the time of the inspection, inspection judgements are based on evidence gathered from discussions with the provider and an inspection of the premises, equipment and relevant documentation.

As there are no children on roll, the quality of the provision cannot be judged better than satisfactory because there is no reliable evidence on which to assess its impact on children.
