Introduction

This inspection was carried out by Ofsted under Sections 49 and 50 of the Childcare Act 2006 on the quality and standards of the registered early years provision. 'Early years provision' refers to provision regulated by Ofsted for children from birth to 31 August following their fifth birthday (the early years age group). The registered person must ensure that this provision complies with the statutory framework for children's learning, development and welfare, known as the *Early Years Foundation Stage*.

The provider must provide a copy of this report to all parents with children at the setting where reasonably practicable. The provider must provide a copy of the report to any other person who asks for one, but may charge a fee for this service (The Childcare (Inspection) Regulations 2008 regulations 9 and 10).

The setting also makes provision for children older than the early years age group which is registered on the voluntary and/or compulsory part(s) of the Childcare Register. This report does not include an evaluation of that provision, but a comment about compliance with the requirements of the Childcare Register is included in Annex B.

There were no children on roll when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children on roll, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states if the provider continues to meet the requirements of registration.

Please see our website for more information about each childcare provider. We publish inspection reports, conditions of registration and details of complaints we receive where we or the provider take action to meet the requirements of registration.

Description of the childminding

The childminder was registered in 2003. She lives in the Chorlton area of Manchester. Children are cared for on the ground floor of the house and have access to the family bathroom and toilet on the first floor. The premises are suitable for people with disabilities. The garden is not registered for use.

The childminder is registered to provide care for a maximum of four children at any one time, of these, three can be in the early years age group. She is also registered on the compulsory and voluntary parts of the Childcare Register. There are currently no children on roll in the early years age group.

The childminder walks to local schools to take and collect children and is a member of the National Childminding Association.

The overall effectiveness of the early years provision

The childminder meets the requirements of the Early Years Foundation Stage. She demonstrates how she would promote all aspects of children's welfare and how she would ensure they are safe and secure. The childminder demonstrates her commitment to improving her knowledge and skills. She has developed an understanding and awareness of the Early Years Foundation Stage framework and would be capable of putting this in place for children in her care. The childminder confirms her understanding of the importance of monitoring records of children's development and progress. She has addressed all the previous actions and risk assessments are now in place.

Compliance with registration requirements

The registered person continues to meet the requirements of registration.
