This is a report of an inspection to assess whether services are meeting the needs of people who use them. The legal basis for conducting inspections is the Care Standards Act 2000 and the relevant National Minimum Standards for this establishment are those for *Fostering Services*. They can be found at www.dh.gov.uk or obtained from The Stationery Office (TSO) PO Box 29, St Crispins, Duke Street, Norwich, NR3 1GN. Tel: 0870 600 5522. Online ordering: www.tso.co.uk/bookshop

Every Child Matters, outlined the government's vision for children's services and formed the basis of the Children Act 2004. It provides a framework for inspection so that children's services should be judged on their contribution to the outcomes considered essential to wellbeing in childhood and later life. Those outcomes are:

- Being healthy
- Staying safe
- Enjoying and achieving
- Making a contribution; and
- Achieving economic wellbeing.

In response, the Commission for Social Care Inspection has re-ordered the national minimum standards for children's services under the five outcomes, for reporting purposes. A further section has been created under 'Management' to cover those issues that will potentially impact on all the outcomes above.

Copies of *Every Child Matters* and *The Children Act 2004* are available from The Stationery Office as above
