## ABOUT THE INSPECTION

The purpose of this inspection is to assure government, parents and the public of the quality and standard of day care. When making judgements, inspectors have regard to how well the provider meets the National Standards for under Eights Day Care and Childminding. A list of these is attached. The report identifies strengths and areas for improvement.

This inspection report must be made available to all parents.

### Information about the setting

The Fairmount Nursery is situated in a detached building close to local hospitals and Sheffield University. The provision opened in 1998. It is privately owned and a full-time manager is employed to oversee the daily running.

The nursery is open from 07.30 to 18.30, Monday to Friday all year round.

Children aged up to two years are cared for in three ground floor playrooms and the provision for the older children is upstairs. There is also a large outdoor area with a safety surface, surrounded by grassed areas.

At present there are 70 children on roll. This includes 18 funded three year olds and 4 funded four year olds. The group currently supports one child with special educational needs and no children with English as an additional language.

There are twenty two members of staff working with the children. Seven members of staff are qualified to level 3, nine to level 2 and 5 members of staff are currently working towards appropriate child care qualifications and one member of staff has a BA honours degree. The staff receive regular visits and support from the community teacher and also receive weekly visits from a teacher who is helping the children to learn basic French.

### How good is the Day Care?

Fairmount Nursery [Clarkehouse] provides good day care for children. Staff attend relevant training, have relevant qualifications and experience and regularly up date knowledge and practice in child care. There are good procedures in place for appointing and vetting of staff. The environment is very warm and welcoming, staff are very friendly and approachable. There is a good range of toys, furniture and equipment to ensure children are comfortable and can play in an interesting and stimulating environment. Resources are used imaginatively creating a stimulating, orderly and supportive environment for all children.

Premises are safe and secure and there is an effective system for the safe arrival and departure of children. There is a very strong emphasis on equal opportunities throughout the nursery. The staff meet the needs of the children who attend very well. All children are included and their different strengths acknowledged and valued. Staff arrangements, resources and the physical environment are adapted to help all

children take part in activities alongside their peers. Children relate very well to each other and adults within the group and are encouraged to make their own decisions and choices about their play and activities.

Provision for children under the age of two years is good. They receive individual attention and are integrated within the group successfully. Staff give good attention to meeting younger children's individual needs for eating, sleeping and sharing information with parents.

Good behaviour within the setting is valued and encouraged, taking into account the children's different stages of development and maturity. The setting has good procedures for keeping parents informed of the provision. Parents are well informed about the provision and their child's progress. All relevant documentation is in place and is continually reviewed. There are comprehensive policies in place.
