ABOUT THE INSPECTION

The purpose of this inspection is to assure government, parents and the public of the quality and standard of day care. When making judgements, inspectors have regard to how well the provider meets the National Standards for under Eights Day Care and Childminding. A list of these is attached. The report identifies strengths and areas for improvement.

This inspection report must be made available to all parents.

Information about the setting

Gosforth Park OSC Ltd. is a privately owned club and has been registered for a number of years. It operates in a hall and classroom within Gosforth Park First School, offering places to children attending the school and also three nearby schools. They are registered to care for a maximum of 56 children and are open before and after school and during school holidays.

There is a large staff group, including a leader and two deputy leaders. All staff have relevant qualifications and experience. The club have gained the Aiming High quality assurance kite mark from Kids Club Network.

How good is the Day Care?

Gosforth Park Out of School Club provides a good standard of care. There is an effective operational plan, with comprehensive policies and procedures, together with good quality information for parents and staff. The staff work well together as a team and appropriate staff to child ratios are maintained.

The necessary emergency treatment and medication consent forms, along with all relevant documentation are in place. They are up to date, clear and, in the main, confidentially maintained. All aspects of health and safety are promoted, staff ensure children are safe both indoors and outdoors and risk assessments are carried out. Good health and hygiene routines are encouraged. There are clear procedures and behaviour boundaries that are understood by children. Clear, age appropriate methods are used for dealing with behaviour and praise and encouragement is given for positive actions and behaviour. There is good communication with parents about children's individual dietary needs. Meals and snacks provided are healthy and nutritious and staff have completed a food hygiene course.

The staff offer children a broad range and choice of play opportunities and play materials, both indoors and outdoors. Staff plan and review a wide variety of activities to meet children's individual needs and further develop their skills in a safe and child friendly environment. The children demonstrate good behaviour and are interested and occupied. Staff dedicate their time to playing with, talking to and helping children to learn, they have very good relationships with the children and know them well.

Staff have very positive relationships with parents, due to their friendly yet business

like approach to the service. Staff share information with parents on a daily basis and endeavour to be flexible in accommodating their requirements.

What has improved since the last inspection?

Not applicable.

What is being done well?

- Staff dedicate their time to playing with, talking to and helping the children to learn. Age appropriate play materials and activities are available to the children, which effectively supports their individual needs.
- A wide variety of activities are provided which are planned and reviewed. Staff also take in to account children's views and comments.
- Organisation of the room is good. Children have free and safe access to appropriate areas both indoors and outdoors, that meet their play and physical needs in a comfortable and child friendly environment.
- There is a consistent approach to behaviour management which is based on realistic expectations of children's age and understanding.
- Partnership with parents is effective. Well maintained, detailed documentation and regular verbal communication keeps parents informed of all aspects of the service, and of their children's activities and progress.

What needs to be improved?

- confidentially maintain accident records.
