## ABOUT THE INSPECTION

The purpose of this inspection is to assure government, parents and the public of the quality and standard of day care. When making judgements, inspectors have regard to how well the provider meets the National Standards for under Eights Day Care and Childminding. A list of these is attached. The report identifies strengths and areas for improvement.

This inspection report must be made available to all parents.

### Information about the setting

Asquith Nursery and Crèche, Chigwell is one of 105 nurseries run by Asquith Nurseries Ltd.. It opened in 1998 and operates from five rooms within the David Lloyd Club situated in Chigwell. A maximum of 49 children may attend the nursery at any one time. The nursery is open each weekday from 08:00 to 18:30 for 51 weeks of the year. All the children share access to a secure enclosed outdoor play area.

There are currently 55 children aged under 5 years on roll. Of these, six children receive funding for nursery education. Children come from a wide catchment area, as many of their parents travel to use the Club facilities. The nursery currently supports a number of children who speak English as an additional language.

The nursery employs 14 staff. Ten of the staff, including the manager, hold appropriate early years qualifications.

### How good is the Day Care?

Asquith Nursery and Crèche, Chigwell provides good care for children.

The organisation of the setting is good and the operational plan is effectively implemented by the staff. The site is used well and the children and parents are made to feel very welcome. The setting is visually reflective of an equal opportunities environment. Appropriate toys and equipment are in good supply throughout. Documentation required for children's details is in good order, though parents must sign their consent for staff to seek emergency medical advice or treatment if required..

The children are kept safe and secure on the site. There is a written risk assessment in place and staff are vigilant in the supervision of the children. There are good procedures for staff to follow in case of an emergency. There are appropriate hygiene procedures in place and staff are fully aware of children's medical needs. The staff interact effectively with the children and get to know them as individuals. Staff are aware of their responsibilities with regards to protecting children, though further training for the designated staff member is required as are the contact details for the local Area Child Protection Committee.

There is a very full range of activities on offer which are fun and stimulating. The staff take steps to ensure that all children are valued and respected and that they

have equal access to the activities. The staff effectively use positive methods to manage the children's behaviour, which is good. Snacks and meals are healthy and drinks are made available to all children. Special dietary requirements are well catered for.

The staff create a warm and inviting environment for parents and children alike. Parents are kept informed about their children's activities through daily verbal feedback and staff are always available to speak to parents. However, copies of policies and procedures should be given to all new parents.

#### **What has improved since the last inspection?**

There were no actions raised at the last inspection.

#### **What is being done well?**

- The staff use a lot of praise and encouragement during the course of the sessions to promote good behaviour and help teach children right from wrong. This is reflected in the children's behaviour and the way they relate to staff and visitors to the club.
- Staff provide a wide range of activities which support the children's learning through play.
- The staff organise the premises effectively to ensure that the needs of each age group are met in specific rooms. Rooms are well furnished and resourced.
- Children's dietary requirements are well met and all meals are healthy and nutritious.
- The setting has well organised procedures in case of illness or injury to children and for giving medication.

#### **What needs to be improved?**

- the obtaining of all required signatures of consent
- training for the designated member of staff for child protection
- knowledge of the contact details for the local Area Child protection Committee
- the sharing of all relevant policies and procedures with parents.

#### **PREVIOUS COMPLAINTS (This section applies only to inspections carried out from September 2004. The complaint record relates to complaints from the last inspection or 1st April 2004 whichever is later.)**
