## The quality and standards of the early years provision

### The provision does not meet requirements

- The provider has required policies and procedures to guide staff practice, but has not ensured staff have sufficient knowledge of the safeguarding and child protection procedures approved by the Local Safeguarding Children Board. This places children's welfare at risk.
- The provider does not have appropriate arrangements for the supervision of staff. Staff do not receive support, coaching and training to continuously improve their practice. Staff do not have a clear understanding of their roles and responsibilities.
- The provider ensures staff understand how to meet children's dietary requirements, know how to promote suitable hygiene procedures, and the importance of providing opportunities for children to be physically active in the fresh air.
- The provider knows how to plan and provide a suitable range of activities and resources for children's different interests and abilities, to meet the learning and development requirements. Staff understand how to engage children in their play to support their overall development.

## Information about this inspection

Inspections of registered early years provision are:

- scheduled at least once in every inspection cycle – the current cycle ends on 31 July 2016
- scheduled more frequently where Ofsted identifies a need to do so, for example where provision was previously judged inadequate
- brought forward in the inspection cycle where Ofsted has received information that suggests the provision may not be meeting the legal requirements of the Early Years Foundation Stage or where assessment of the provision identifies a need for early inspection
- prioritised where we have received information that the provision is not meeting the requirements of the Early Years Foundation Stage and which suggests children may not be safe
- scheduled at the completion of an investigation into failure to comply with the requirements of the Early Years Foundation Stage.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

The provision is also registered on the voluntary and compulsory parts of the Childcare Register. This report includes a judgment about compliance with the requirements of that register.

## Inspection activities

- The inspector discussed with the staff how they intend to provide activities that interest and engage children, and support their overall development.

## Type of provision

For the purposes of this inspection the following definitions apply:

Full-time provision is that which operates for more than three hours. These are usually known as nurseries, nursery schools and pre-schools and must deliver the Early Years Foundation Stage. They are registered on the Early Years Register and pay the higher fee for registration.

Sessional provision operates for more than two hours but does not exceed three hours in any one day. These are usually known as pre-schools, kindergartens or nursery schools

and must deliver the Early Years Foundation Stage. They are registered on the Early Years Register and pay the lower fee for registration.

Childminders care for one or more children where individual children attend for a period of more than two hours in any one day. They operate from domestic premises, which are usually the childminder's own home. They are registered on the Early Years Register and must deliver the Early Years Foundation Stage.

Out of school provision may be sessional or full-time provision and is delivered before or after school and/or in the summer holidays. They are registered on the Early Years Register and must deliver the Early Years Foundation Stage. Where children receive their Early Years Foundation Stage in school these providers do not have to deliver the learning and development requirements in full but should complement the experiences children receive in school.
