Dear Bishop Monkton Pre-School Committee

Monitoring for provision judged as inadequate

An Ofsted inspector, Laura Hoyland, monitored your provision on 30/09/2014 following your inspection where the provision was judged to be inadequate.

Outcome of monitoring

As a result of our inspection on 14/07/2014, we sent you a notice to improve. If you were set actions at the inspection, or as a result of our subsequent monitoring or investigations, these are included at the end of this letter.

During the monitoring visit the inspector discussed with you the steps you have taken to address the actions raised in the notice to improve. She held discussions with the manager, the chair of the committee and a representative from the local authority. The inspector had a tour of the premises, discussed your development plan, contingency plans for staff absence and checked the suitability of all staff.

The inspector found that you have created a clear and concise development plan and used it to drive improvement. You have created a detailed contingency plan to be used in the absence of staff. You have recently appointed a qualified teacher and created a resource of supply staff. All supply staff have appropriate childcare qualifications and have been robustly recruited and vetted to ensure they are suitable to work with children.

Having considered all the evidence, the inspector is of the opinion that the setting has taken prompt and effective action to address the points for improvement.

Next steps

The next step will be a full inspection.

I hope that you have found the visit helpful in promoting improvement in your setting. If you have any further queries please contact us on the number at the top of this letter.

Yours sincerely

Nick Hudson
National Director, Early Education
