

## **Compliance action taken for childcare provision**

EY293232/C200544

**Date:** 01/01/2015

### **Summary of outcome**

On 11 December 2013, the provider notified us of a safeguarding issue. The notification means that the provider met their legal responsibility as set out in the Early Years Foundation Stage welfare requirements. At an inspection we found that the provider has notified all the relevant authorities and conducted an appropriate investigation. We are satisfied with the action taken and the provider remains registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
