- The childminder has a good knowledge of the learning and development requirements. She understands how to observe and assess children's progress and how to plan enjoyable and challenging play opportunities.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children.
