Summary of key findings for parents

The provision meets requirements

- The childminder has a good understanding of safeguarding. She knows how to protect the welfare and well-being of the children in her care.
- The childminder demonstrates, through planning, the activities she uses to promote children's learning and development.
- The childminder promotes children's health and well-being through healthy eating.
- The childminder uses positive behaviour management to support children to develop appropriate social skills.
- The children have access to a good amount of resources to promote their learning and development.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

Inspection activities

- The inspector spoke with the childminder to gain information about her practice.
- The inspector reviewed the childminder's practice and her policies and procedures.
- The inspector looked at observations on children, planning documents, a selection of policies and procedures and children's records.
