The quality and standards of the early years provision	This inspection:	Met	
	Previous inspection:	Good	2
The setting meets legal requirements for early years settings			

Summary of key findings for parents

The provision meets requirements

- The childminder demonstrates through discussion a secure awareness of how to effectively implement the learning and development requirements of the Early Years Foundation Stage. She provides a suitable range of good quality, age-appropriate resources and play experiences that will support children's learning and development .
- The childminder demonstrates how she provides children with healthy, balanced meals. She encourages older children to play outside as much as possible, to get lots of fresh air and exercise. This promotes healthy lifestyles and supports children's well-being .
- The childminder demonstrates a secure awareness of how to safeguard children. She understands the procedures to follow should she have any concerns about a child in her care. Additionally, she demonstrates through discussion how she uses risk assessments to help her identify and minimise hazards to children, to ensure they can play in a safe environment.
- The childminder understands the importance of working in partnership with parents to promote continuity in their care and learning.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.
