The provision meets requirements

- The childminder understands the learning and development requirements and has considered how to plan for individual children's needs.
- The childminder understands the importance of maintaining relationships with parents to support children in all areas of learning.
- The childminder has sufficient knowledge of the safeguarding and welfare requirements and has completed relevant training to implement practices.
- The childminder knows how to provide a safe environment for the children and has implemented steps to ensure this.
- The childminder has sufficient knowledge to implement healthy eating for the children in her care.
- The childminder has detailed policies and procedures to inform parents and support her practices.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.
