Summary of key findings for parents

The provision meets requirements

- This childminder understands the importance of developing positive relationships with children and parents in order to help her meet their needs.
- The childminder recognises the need to provide appropriate experiences and resources to build on children's abilities and interests, so they make progress.
- The childminder understands how to manage different types of behaviour from children in a positive way.
- The childminder understands the need to provide children with time outdoors daily.
- The childminder understands how to assess children's progress regardless of their differing ages, abilities and backgrounds.
- The childminder understands the need for ongoing improvement and development of her provision.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

Inspection activities

- The inspector looked at resources in the childminder's home both inside and in the garden.
- The inspector held discussions with the childminder and talked about risk assessment measures including outings and consent for outings and emergency medical treatment.
- The inspector looked at children's records and a range of other documentation, including policies and procedures, and discussed these with her.
