Summary of key findings for parents

The provision meets requirements

- The childminder understands how to complete observations and assessments of children's achievements and plan for the next stages in their learning and development regardless of children's age, abilities and backgrounds.
- The childminder meets the safeguarding and welfare requirements and is fully aware of her responsibility in safeguarding children. She has appropriate procedures to follow in the event of a concern about a child's welfare.
- The childminder has a suitable range of resources and knows how to use these appropriately to support children's choices in their play and learning to help them make progress.
- The childminder recognises the importance of building positive relationships with parents and involving them in their children's learning at home.
- The childminder has all the relevant documentation to help support her in meeting children's health, safety and general well-being. She promotes the importance of exercise and fresh air.
- The childminder is committed to reflecting on her practice to support her in making continuous improvement.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

Inspection activities

- The inspector spoke to the childminder about her practices and procedures, and how she intends to deliver the educational programmes for children.
- The inspector viewed the areas of the premises that will be used for childminding and discussed safety arrangements.
- The inspector looked at samples of documentation and records that the childminder will use to support children's welfare and learning when she is childminding.
- The inspector discussed with the childminder her systems for self-evaluation.
