## Summary of key findings for parents

### The provision meets requirements

- The setting is able to provide children with a suitable range of accessible resources and activities, which enables them to enjoy their play and learning, building on what they learn at school.
- Children can move about the various rooms freely. The venue is easily accessible for all children, including those with additional needs and/or a disability, offering different play experiences for a wide range of needs.
- The nominated person has a good knowledge of the procedures to follow in the event of child protection and children's welfare concerns, in order to safeguard them.
- The nominated person has a strong knowledge and understanding of offering an inclusive service for all children so they benefit from attending.
- The setting is able to work with parents to ensure they meet children's individual needs. They gain detailed information from parents so they are clear about children's specific needs. This means they understand what they need to do to support them.
- The setting understands the benefits of seeking the views of parents and children to help evaluate their effectiveness and make targeted changes to practice.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

## **Inspection activities**

- The inspector looked round the areas of the school used by the children when attending the setting.
- The inspector sampled and discussed documentation, and policies and procedures with the nominated person.
- The inspector discussed how the setting works in partnership with the school and other agencies to support children's individual needs.
