Summary of key findings for parents

The provision meets requirements

- The manager and staff demonstrate a good understanding of how to provide children with suitable play and learning experiences that promote their interests and needs.
- The manager and staff have attended safeguarding training. They understand the signs to be aware of that may indicate a child is at risk. They also know the correct procedures to follow if they are concerned about a child's welfare.
- Staff understand the importance of promoting children's physical health. They have appropriate first-aid qualifications which means that in the event of an emergency they can meet children's needs.
- Staff demonstrate that they have a good knowledge of how to foster children's confidence and well-being. They understand how to deliver the welfare requirements of the Early Years Foundation Stage.
- The provider has met the actions set at the previous inspection. The manager understands the significance of self-evaluation. She recognises how gathering the views of parents and children can impact positively on the quality of the provision.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

Inspection activities

- The inspector viewed the parts of the premises used for the after school club.
- The inspector spoke to the manager and staff about their knowledge of the Early Years Foundation Stage welfare requirements.
- The inspector reviewed documentation, including policies, training certificates and accident records.
- The inspector reviewed the resources available to children and also viewed the storage areas.
