Dear Michelle Dixon Limited

Monitoring for provision judged as inadequate

An Ofsted inspector, Elaine McDonnell, monitored your provision on 25/08/2015 following your inspection where the provision was judged to be inadequate.

Outcome of monitoring

As a result of our inspection on 24/06/2015, we sent you a welfare requirements notice. If you were set actions at the inspection, or as a result of our subsequent monitoring or investigations, these are included at the end of this letter.

During the monitoring visit on 28 August 2015 the inspector discussed with you the actions you had taken to address the actions raised in the welfare requirements notice and also the notice to improve that were issued to you on 24 July 2015.

The inspector found that you have effectively implemented systems for observing and assessing children's progress, and are using the information gained to plan the next steps in children's individual learning.

The inspector also found that you now have a consistent system in place for recording staffs' daily attendance and can demonstrate each child's key person on duty.

Having considered all the evidence, the inspector is of the opinion that the setting has taken prompt and effective action to address the points for improvement.

Next steps

The next step will be a full inspection.

I hope that you have found the visit helpful in promoting improvement in your setting. If you have any further queries please contact us on the number at the top

of this letter.

Yours sincerely

Nick Hudson
National Director, Early Education
