## Summary of key findings for parents

### The provision meets requirements

- The provider understands the requirements and has kept up to date with them. She knows how to meet the needs of children. In addition, she knows what activities and resources to provide to stimulate children's interest.
- The provider knows how to work in partnership with parents. She understands the importance of sharing information with parents and obtaining details about their child's needs.
- The provider has a good understanding of the safeguarding policy and procedures. She knows to ensure all staff have an in-depth understanding of how to identify any welfare concerns a child may have and how to report these promptly.
- The provider knows to ensure children have opportunities to learn about diversity and that that they learn about good behaviour.
- The provider understands her role in providing staff with opportunities to undertake further training to develop their professional practice. Furthermore, she has met the actions and recommendations from the previous inspection.
- The provider knows to ensure staff hold paediatric first-aid certificates to promote children's welfare. She understands the importance of maintaining records of children's details and a written complaints procedure.
- The provider understands the importance of assigning a key person to individual children to promote their well-being.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

## **Inspection activities**

- The inspector discussed with the provider her understanding of the safeguarding and welfare, and learning and development requirements.
- The inspector looked at the areas of the provision available for children.
- The inspector viewed a sample of and discussed with the provider, her understanding of the required documentation.
