- The childminder has a positive attitude towards providing a welcoming learning environment where all children are welcome regardless of their ages, abilities and backgrounds.
- The childminder knows the need to manage children's behaviour and to teach them to have an awareness of respecting others.
- The childminder knows the importance of promoting children's safety and of protecting them from harm.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

- The inspector discussed with the childminder how she plans to implement the Early Years Foundation Stage.
