	Previous inspection:	Outstanding	1

Summary of key findings for parents

The provision meets requirements

- The manager and staff understand the safeguarding and welfare requirements.. They have a clear understanding of child protection procedures and know how to report any concerns about a child's welfare.
- The manager understands the importance of working in partnership with parents and the school to promote consistency in children's care and learning.
- The manager knows how to use the self-evaluation process to monitor staff performance and maintain their professional development, in order to improve children's overall experiences.
- The manager understands how to provide appropriate indoor and outdoor resources and activities for the children to enjoy and learn, and help them make progress.
- The manager knows how to manage children's behaviour in a suitable way so that they learn to behave well and respect others.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

Inspection activities

- The inspector discussed with the manager how she intends to deliver the educational programme for children.
