Summary of key findings for parents

The provision meets requirements

- The childminder understands how to plan to provide challenging activities for children across all areas of learning.
- The childminder understands how to promote children's good health by, for example, encouraging them to eat a well-balanced diet and to take part in daily physical exercise.
- The childminder knows the safeguarding procedures to follow should be concerned about a child's welfare.
- The childminder understands the importance of working with parents and others to support children's learning.
- The childminder understands the benefit of regular evaluation of her practice to build ongoing improvements.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.
