<b>Inspection date</b>	13 January 2017
Previous inspection date	31 March 2016

<b>The quality and standards of the early years provision</b>	<b>This inspection:</b>	<b>Not met</b>	
	Previous inspection:	Requires Improvement	3

## Summary of key findings for parents

### The provision does not meet requirements

- The childminder does not hold a current first-aid certificate.
- The childminder informed the inspector that she had made the decision to resign from childminding.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

## What the setting needs to do to improve further

**To meet the requirements of the early years foundation stage and the Childcare Register the provider must:**

	<b>Due Date</b>
■ complete a paediatric first-aid course.	27/01/2017

## Inspection activities

- The inspector held discussions with the childminder about her practice and her plans for the future.
- The inspector was present when the childminder cancelled her registration with Ofsted.
