## Summary of key findings for parents

### The provision meets requirements

- The childminder has clear understanding of procedures to follow should she have concerns about the welfare of children in her care.
- The childminder understands how to manage children's behaviour effectively and to teach them to respect others.
- The childminder understands the value of sharing information with parents and other professionals to meet children's needs.
- The childminder understands how to help children to develop in all areas of learning. She knows how to use assessments to inform planning and help children to make good progress.
- The childminder understands how to evaluate her practice to identify goals to improve.
- The childminder knows how to help children to understand the benefits of a healthy lifestyle. She understands how to teach children about eating healthily and taking regular physical exercise.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.
