## Summary of key findings for parents

### The provision meets requirements

- Management and staff understand their safeguarding responsibilities. They keep up to date with current safeguarding practice and know the procedure to follow if they have concerns about a child's welfare.
- Staff know how to plan a range of activities, and a variety of resources is available for children's play. Management and staff recognise the importance of working in partnership with parents and the school to complement children's experiences outside of the setting.
- Staff are aware of how to help children understand behaviour expectations. They know how to support children's independence and individual choices.
- Management and staff understand the importance of supporting children's good health and well-being. They provide children with opportunities to play outside and be active.
- Management and staff understand how to reflect on their practice. They use regular supervisory meetings, team meetings and the views of parents and children when reviewing the quality of their provision.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.
