Inspection date	11 October 2017
Previous inspection date	Not applicable

The quality and standards of the early years provision	This inspection:	Met
	Previous inspection:	Not applicable

Summary of key findings for parents

The provision meets requirements

- The childminder understands the signs that would cause her concern about a child's welfare and the safeguarding processes to follow.
- The childminder knows how to use the information from her observations and assessments to plan for children's next stage in their learning and interests.
- The childminder understands how to support children's physical health. She knows how to encourage them to be physically active and to follow appropriate hygiene routines.
- The childminder recognises the importance of working in partnership with parents. She is aware of the need to share regular information to help provide a consistent approach in meeting children's learning and development needs.
- The childminder knows how to complete thorough risk assessments of her environment to help identify and minimise any hazards.
- The childminder understands how to help children learn to keep themselves safe, such as practising regular emergency procedures with them.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

Inspection activities

- The inspector viewed all areas of the premises.
- The inspector reviewed a range of documentation, including the childminder's qualifications and public liability insurance.
- The inspector held discussions with the childminder about children's learning and development, and the safeguarding and welfare requirements.
