## Summary of key findings for parents

### The provision meets requirements

- Leaders and staff know about safeguarding issues. They understand the signs when a child may be at risk of harm and the procedures to follow if they have a concern about a child's welfare.
- Leaders and staff know how to plan activities and offer a wide variety of resources for children's play. They recognise the importance of working in partnership with the host school and parents to complement children's experiences outside of the club.
- Leaders and staff are aware of how to help children understand behaviour expectations. They know how to support children's independence and allow them to make choices about what they want to do in the club.
- Leaders recognise the importance of evaluating their practice to make continued improvements. They know to provide staff with regular supervision and training opportunities.
- Leaders and staff understand the importance of supporting children's good health. They know to provide children with opportunities to play outdoors and be physically active.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

## **Inspection activities**
