The quality and standards of the early years provision	This inspection:	Met	
	Previous inspection:	Inadequate	4

Summary of key findings for parents

The provision meets requirements

- Managers effectively evaluate the provision in order to identify areas for improvement and to ensure they meet with the requirements.
- The manager and staff demonstrate suitable awareness and understanding of safeguarding issues and procedures. They know what to do if they have a concern about a child's welfare.
- The manager recognises the importance of working in partnership with parents and other professionals to help provide continuity of care for children and to meet with their individual needs. Information about current topics being studied at schools children attend is used, along with what is known about children's interests, to plan activities at the out of school club.
- Records support the safe and effective management of the setting. They are well maintained and readily available.
- The premises are maintained in a suitable condition for the purposes of providing an out of school club.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

Inspection activities

- The inspector had a tour of the premises, indoors and outdoors.
- The inspector made observations of the staff and their interactions with older children while involved in various activities.
- The inspector had discussions with the manager, staff, older children and parents.
- The inspector sampled documentation, including policies and records for safeguarding, accidents and injuries, staff suitability checks, and children's attendance records.
