- The leader has a good understanding of how to keep children safe, and to check for and manage risks in the environment. The leader has a secure understanding of child protection matters and the local procedures for safeguarding children.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.
