Summary of key findings for parents

The provision meets requirements

- The childminder understands her responsibility to safeguard children. She keeps her knowledge up to date through attending regular training and is confident in recognising signs and symptoms of abuse.
- The childminder understands how children learn through play. She confidently discusses her systems in place to monitor and assess children's progress to help them learn and develop appropriately.
- Systems are in place for working in partnership with parents to support children's care and development.
- The childminder understands the importance of monitoring her own practice to ensure she is able to consistently meet children's needs. She demonstrates a positive attitude to attending training to develop her knowledge and skills in childcare.
- The childminder understands how to promote children's good health. She confidently discusses children's hygiene routines. She understands the benefits of promoting a healthy diet and providing daily opportunities for children to be physically active.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

Inspection activities

- The inspector discussed with the childminder how she intends to deliver the learning and development requirements, including planning, observation and assessment.
- The inspector spoke to the childminder about her understanding of safeguarding, child protection and first aid.
- The inspector viewed the parts of the childminder's home that she plans to use when caring for children.
- The inspector looked at policies and procedures the childminder intends to use when caring for children. She checked evidence of the suitability of persons living in the household.
