

## **Compliance action taken for childcare provision**

EY452604/C337415

**Date:** 06/03/2018

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 24 January 2018, we received a notification from the provider relating to a safeguarding issue. This means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of a significant event. However, we have served them with a Notice to Improve related to a separate matter. This is a legal notice that requires the provider to take the action below within the timescale set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed:

ensure that Ofsted is provided with all required information to enable suitability checks to be carried out on committee members. By 31 March 2018

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website

for a period of five years commencing on the date we complete our investigation.

For further information please read the *Early years compliance handbook* which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted) .
