

Complaint about childcare provision

300754/C341623

Date: 20/03/2018

Summary of complaint

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 12 March 2018 we received concerns that this provider was not meeting some of these requirements. We have served a Welfare Requirements Notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed:

- provide evidence of how you take all reasonable steps to ensure children in your care are not exposed to risks and demonstrate how you are managing risks, with particular regard to ensuring staff are vigilant at all times and immediately remove hazards in all rooms by 27 March 2018.

On 28 March 2018 we carried out an unannounced visit to the premises. We are satisfied with the action taken by the provider. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.
