

## **Complaint about childcare provision**

EY479673/C341458

**Date:** 17/04/2018

### **Summary of complaint**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 9 March 2018 we received concerns that this provider was not meeting some of these requirements. We visited the provider, who carried out their own investigation into the concerns raised. As a result they have taken action to ensure that school age children are not left unsupervised in a vehicle. We are satisfied the provider has taken appropriate action to address the concerns. The provider is still registered with Ofsted.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.
