

## **Compliance action taken for childcare provision**

EY486230/C341167

**Date:** 25/04/2018

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2).

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 6 March 2018, we received information that this provider was not meeting some of these requirements. We visited the provider and have sent them a notice of action to improve. The provider must take the following actions by 30 May 2018:

ensure that the policy, and procedures, to safeguard children are implemented at all times and are in line with the guidance and procedures of the relevant Local Safeguarding Children Board (LSCB);

ensure that the practitioner designated to take lead responsibility for safeguarding children has sufficient understanding to fulfil the role and provide support, advice and guidance to any other staff on an ongoing basis.

The provider responded to our notice and took prompt action to comply. We are satisfied with the action taken.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying

regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
