

## **Complaint about childcare provision**

EY393241/C344212

**Date:** 10/05/2018

### **Summary of complaint**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 12 April we received concerns that this provider was not meeting some of these requirements. We liaised with other agencies and conducted an unannounced visit to the setting. We found there had been an occasion when the provider had not followed the setting's safeguarding policy. However, the provider had rectified the matter to ensure that this would not occur in future. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.
