

Complaint about childcare provision

EY413013/C346373

Date: 22/05/2018

Summary of complaint

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 06 May 2018, we received concerns that this provider was not meeting some of these requirements. We have issued them with a Notice to Improve related to a separate matter. This is a legal notice that requires the provider to take the action below within the timescale set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed:

Strengthen communication and partnership working to better support children with special educational needs and/or disabilities, by 18 June 2018.

The provider subsequently implemented new systems to improve their support for children with special educational needs and/or disabilities.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.
