	Previous inspection:	Not applicable

Summary of key findings for parents

The provision meets requirements

- The childminder demonstrates a clear understanding of her responsibility to follow the Local Safeguarding Children Board procedures to promote the safety of children. The premises are secure and safe.
- The childminder has a clear understanding about the importance of working in partnership with parents. She knows to involve them in supporting their child's development in the home environment.
- The childminder understands how to help children learn about positive behaviour and about recognising the needs of others.
- The childminder understands how to promote children's well-being and physical development so she can foster their health appropriately. She knows to provide children with healthy snack foods and daily opportunities to play outdoors.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

Inspection activities

- The inspector discussed with the childminder how she intends to deliver the educational programmes for children and undertake observation, assessment and planning.
- The inspector discussed the policies and procedures with the childminder and viewed documentation that she will use when caring for children.
- The inspector had a tour of the areas of the premises used by children and discussed the equipment and toys available.
- The inspector discussed the safeguarding and welfare requirements with the childminder and took into consideration the suitability checks.
