#### For Information:

- Where some schools have recently converted to academies, their overall effectiveness judgements are not included in the super group calculations. However, as set out in the guidance, the latest inspection judgements prior to the restructure will be taken into account for the children's services assessment.
- On 1 April 2011, a new children's home inspection framework began. Further details can be found in the profile guidance.
- In 2010, there was a reduction of KS2 tests coverage across all eligible schools. The impact across authorities varies and this will be taken into account.
