

Complaint about childcare provision

EY495537/C347518

Date: 24/07/2018

Summary of complaint

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 18 May June 2018 we received concerns that this provider was not meeting some of these requirements. We issued a notice to improve. The provider will be able to give parents further information about this.

Actions needed by 18 July2018

ensure that the safeguarding policy and procedure is implemented in relation to allegations about the member of staff and that Ofsted is informed in a timely manner.

The provider remains registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.
