

## **Compliance action taken for childcare provision**

319377/C340994

**Date:** 24/07/2018

### **Summary of outcome**

'All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

We received concerns that this provider was not meeting some of these requirements. We carried out an unannounced visit on 10 July 2018 and we found that the provider was meeting the requirements. We therefore took no further action. During this visit we also discussed a notification that the provider made to Ofsted on 10 January 2018 about an allegation against a member of staff. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of significant events. We were satisfied with the action taken by the provider and the steps they took to improve staff's knowledge and understanding of safeguarding procedures, particularly in relation to whistle-blowing procedures.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the *Early years compliance handbook* which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted) .
