

Complaint about childcare provision

Ref: EY417494/C353101

Date: 17 September 2018

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 16 July 2018 we received a notification from the provider that suggested the provider was not meeting some of these requirements. We carried out a visit to the setting and established that the provider had undertaken a review of their procedures and had already taken appropriate action to ensure that the requirements are now met in full. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.
