

Complaint about childcare provision

Ref: 206110/C352579

Date: 18 September 2018

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 10 July 2018 we received concerns that this provider was not meeting some of these requirements.

We have served an action that requires the provider to take the action below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed

Be alert to any issues of concern in the child's life at home or elsewhere and ensure that you implement appropriate safeguarding procedures by 14 September 2018

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.
