The quality and standards of the early years provision	This inspection:	Met
	Previous inspection:	Not applicable

Summary of key findings for parents

This provision meets requirements

- The manager and staff demonstrate a strong understanding of their role in keeping children safe. They are aware of the action to take if they have any concerns about a child's welfare.
- The premises are safe and secure. The manager and staff conduct thorough risk assessments to minimise potential hazards and support children's safety.
- Staff have good opportunities to extend their knowledge and skills, for example, through attending training and regular supervision discussions with the manager.
- The manager demonstrates that he values partnership working with parents and other professionals involved in the child's life to fully meet children's individual needs and to support continuity of care and play experiences for children.
- The manager shows an understanding of the importance of supporting children's health and well-being, for example, by providing children with a healthy and nutritious diet. He understands the importance of providing daily opportunities for children to be physically active outdoors.
- Staff demonstrate an understanding of how to positively manage children's behaviour and how to encourage children to respect each other.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

Inspection activities

- The inspector had a tour of the areas of the premises used by children and discussed the toys and equipment available.
- The inspector looked at relevant documentation and discussed self-evaluation, policies and procedures, and evidence of the suitability of staff working in the club.
- The inspector discussed the safeguarding and welfare requirements with the manager.
