## Summary of key findings for parents

### This provision meets requirements

- The provider understands the importance of working in partnership with parents and other providers to ensure she meets children's individual needs and to provide a consistent approach to their learning.
- The provider has a secure knowledge of safeguarding and child protection issues and the procedures to follow if any concerns are raised about a child's welfare.
- The provider understands the importance of providing daily opportunities for children to have physical exercise and maintain a healthy lifestyle.
- The provider knows how to evaluate her provision. She gives examples on how she intends to maintain her own and staff's professional development to help them enhance their knowledge and skill.
- The provider understands how to manage children's behaviour positively. She gives examples of how she would support children to respect and value each other's opinions.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.
