Inspection date	11 October 2018
Previous inspection date	Not applicable

The quality and standards of the early years provision	This inspection:	Met
	Previous inspection:	Not applicable

Summary of key findings for parents

This provision meets requirements

- The provider demonstrates a clear knowledge of his responsibilities to protect children from harm. He knows what procedures to follow should he have any concerns about a child's welfare. He ensures all staff receive regular training about safeguarding children and understand their role to protect children from harm.
- The provider implements good risk assessment practices to ensure the premises and activities are safe, secure and suitable for children.
- The provider understands the benefits of working in partnership with parents and other professionals to help provide consistency in meeting children's specific needs.
- The provider understands how to help children learn about healthy lifestyles, such as being active and choosing healthy foods.
- The provider ensures children can freely choose from a wide range of activities and resources.
- The provider understands how to help children learn to respect each other and how to promote children's good behaviour.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

Inspection activities

- The inspector spoke with the provider about the service he provides.
- The inspector looked at relevant documentation and evidence of the suitability of staff working in the club.
- The inspector toured the areas of the premises used by children and viewed the equipment and resources available.
