	Previous inspection:	Not applicable

Summary of key findings for parents

This provision meets requirements

- The provider understands how to meet the safeguarding and welfare requirements. She knows how to ensure staff have a secure knowledge of child protection procedures. She understands her responsibilities to ensure staff are suitable to care for children.
- The provider has a good understanding of how to provide children with an interesting range of activities to help complement their learning in pre-school and school.
- The provider knows her responsibilities to promote children's safety. She knows how to risk assess activities and the environment to minimise any hazards. The provider knows the importance of helping children learn how to stay safe.
- The provider knows how to manage children's behaviour and support their emotional well-being.
- The provider understands the importance of information sharing with parents, schools and pre-schools children attend to support continuity in children's care.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

Inspection activities

- The inspector had a tour of the premises and viewed all areas that are used by the children.
- The inspector discussed with the provider how she supports children's play and learning.
- The inspector looked at policies and other documentation the provider uses to support the management of her setting.
- The inspector checked evidence of the suitability of the staff.
- The inspector talked with the provider about her self-evaluation and improvement plans.
