

## **Compliance action taken for childcare provision**

Ref: 160819/4017744

Date: 7 November 2018

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 6 September 2018, we received a notification from the provider. Therefore, the provider met their legal responsibility to inform Ofsted of a significant event. On 24 September 2018 we received concerns that the provider was not meeting some of the requirements of the early years foundation stage. On 1 October 2018 we visited the provider.

We found that they were not meeting some of the requirements.

We have issued the provider with a notice to improve that requires them to take the actions below within the timescales set out.

Actions needed

- ensure that a written record is maintain for all accidents by 15 October 2018.

We are satisfied with the action taken by the provider.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
