

Alamiyah School

113–115 Marlborough Road, Dagenham, Essex RM8 2ES

Inspection dates

17 October 2018

Overall outcome

The school is likely to meet the relevant independent school standards if the material change relating to the school provision is implemented

Main inspection findings

Part 1. Quality of education provided

Paragraphs 2(1), 2(1)(a), 2(1)(b), 2(1)(b)(i), 2(1)(b)(ii), 2(2), 2(2)(a), 2(2)(b), 2(2)(d), 2(2)(d)(i), 2(2)(d)(ii), 2(2)(h) and 2(2)(i)

- The school's curriculum policy and related long-term programmes of study have been suitably extended to account for pupils in Years 5 and 6. Planning covers all the required areas of learning, and takes account of pupils' different abilities and interests.
- The planned curriculum includes detailed coverage of English language, mathematics, biology, chemistry, physics, arts, crafts and design, geography, history, physical education, technology (encompassing computing and electronics) and advanced life skills (which include, for example, cookery, woodwork, horticulture, sewing and vehicle maintenance).
- The curriculum includes a comprehensive 'cosmic education' (personal, social, health and economic education) programme, which is likely to provide pupils in upper key stage 2 with ample opportunities to learn about fundamental British values, equality and to develop spiritually, morally, socially and culturally.
- The independent school standards in this part are likely to continue to be met if the material change is implemented.

Compliance with regulatory requirements

The school is likely to meet the requirements of the schedule to the Education (Independent School Standards) Regulations 2014 ('the independent school standards') and associated requirements that are relevant to the material change.
