Summary of key findings for parents

This provision meets requirements

- The childminder understands safeguarding practices and the reporting procedures to follow if she had any concerns about the welfare of children.
- The childminder understands the importance of gathering key information about children's routines, starting points and what they can already do when they first start.
- The childminder understands the importance of working in partnership with parents to maintain and promote continuity of care.
- The childminder has a good range of toys and resources within her home that complements all the main areas of learning and supports children of all ages.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

- The inspector checked a range of policies and procedures with the childminder, including those relating to safeguarding requirements.
